Signature Required by Parent & Student Athlete

We, the athlete and the parents and/or guardians, understand and agree to:

- Attend all practices and games, unless we have a reasonable valid excuse such as illness or injury.
- Agree to conduct ourselves in a sportsmanlike manner at all times towards our teammates, coaches and opponents.
- We understand that poor sportsmanship IS NOT acceptable and removal from the team may be the result.
- Parents are responsible for transportation for their student athlete to and from practices, league games and events. Participation in the CSL requires traveling throughout Sonoma, Napa, and Mendocino Counties.
- It is the responsibility of the parents/guardians to have sufficient auto insurance when transporting your own and/or other participants to and from practices, games, and league events.

In addition, St Eugene School requires that students maintain satisfactory academic progress and conduct is in good standing. Additional requirements and expectations may be set forth in the most recent athletic handbook. Participation in the CSL, by both students and parents, is a privilege and not a right. The CSL and it’s representatives reserve the right to remove those who fail to behave in a positive, responsible, Christian manner, from any league event. If such behavior is not resolved following notification to the Athletic Director & School Administration, attendance to future CSL events may be restricted.
